# How to make out your order for Gove Gladiolus ... to get all you're entitled to

**ON ORDER FORM** write or type clearly and completely, mail as early as possible, preferably with payment in full.

**PUT DOWN AN ENTRY** from price list in each of the columns on order blank for each variety. (It helps us if you separate retail items from quantity items.)

**OUR POLICY ON EXTRAS AND COUNT:** On quantity orders we put in 5% extra count. On retail items tell us if you prefer extra count or other extras.

We put in some extras on all orders of \$3 or more except on collections. These are big value as is. No discount on collections except the 10% for fall orders.

**PAYMENT:** Orders fully paid in advance save us time and expense and so earn most extras for you. But we'll ship retail orders C.O.D. if you wish, provided you send deposit of at least \$1 with order or 25% on orders of \$4.00 or more. Of course you also pay C.O.D. fee to postman on delivery, plus balance due on order. You save C.O.D. costs by paying in advance.

**MINIMUM ORDER:** We appreciate your courtesy in sending orders totaling \$3.00 or more, because smaller orders cost so much to handle they eat up all the profit. It also helps very much if no single

entry for a variety is less than 25c except in a few cases where priced lower. We cannot accept orders for 10 or 15 cent items.

**SHIPPING CHARGES:** Items ordered at RETAIL are shipped at our expense anywhere. Items ordered at quantity prices are shipped at **YOUR** expense. If order has both retail and quantity items, we ship at your expense but put in extras to make up for postage we don't have to pay (but if you prefer we **can** ship retail separate from quantity). See order blank for free bulbs if **you pay postage** on retail orders.

**ACKNOWLEDGMENT OF ORDERS:** We acknowledge each order by card or invoice promptly with an order number. **KEEP** it for future reference, and if you need to write us **PLEASE BE SURE** to give order number.

**AIR MAIL:** From a distance air mail may save you several days in getting bulbs. **But don't send** special delivery; we get regular mail faster.

**ORDER EARLY:** Though we have perhaps the largest assortment of glads anywhere in the world, we always sell out on some varieties. To be sure of getting your favorites, and of earning the 10% discount on paid bulb orders of \$6.00 or more, mail order by Dec. 31, 1960.

## For Christmas

Let us help you with your Christmas gifts. For a gardening friend what would please him or her more than a gift of bulbs. We send a beautiful card announcing the gift and then send the bulbs later. Or we can send a gift certificate for the recipient to order from the catalog later. In this way he can select just what he wants.

When the bulbs bloom they will be a pleasant reminder of you.

Or **Maple Syrup** is a grand gift. Everyone likes Maple Syrup but few have tasted the real Fancy grade that we sell. This grade is not usually sold as very little is made.

Also Maple Candy or Sugar as listed with the syrup on page 11.

"I want you to know how much pleasure the two 'collections' of gladiolus bulbs purchased this spring have given 'The Family' at the Converse Home. We have been constantly surprised at their color, the number of blooms on a stalk, and their differing shapes. I've never spent so little and received so much"

# 75-CENT LONG SEASON SPECIALS

To have blooms of a certain variety over a long period I want to especially recommend the following collections. These consist of various sizes of bulbs of each variety. There are usually one or more large bulbs, some medium and some small. If you are not in the habit of buying medium or small bulbs you will be amazed at the fine blooms you will get from these. And if there is a particular variety that you especially like you can have blooms of this variety over a much longer period than you could if you planted all one size. I can't give you the exact number of bulbs that you will receive in each lot because the varieties vary somewhat in price but you may be assured that you will get big value. LEAVE IT TO ME. We put in more medium and small than large bulbs. DON'T ASK ME HOW MANY BULBS THERE ARE IN EACH SET. THEY VARY ACCORDING TO THE PRICE OF THE VARIETY. WE GIVE VERY GOOD VALUE.

REMEMBER EACH 75-CENT SPECIAL IS ONLY ONE VARIETY AND NOT AN ASSORTMENT OF SEVERAL VARIETIES OR OF ALL OF THEM. Each special consists of various sizes of just ONE VARIETY. Select as many as you wish. But remember they are 75 cents for each one. Any FIVE lots for \$3.50. Any TEN lots for \$6.50 or any FIFTEEN for \$9.00. If you buy several lots I will put in something good for you to try out.

# Peonies

**This picture shows the type of growth of the Lin's Peonies**

If you do not grow peonies you should. They are about fool proof, need little care and will bloom for many years without replanting.

These I am offering are not the cheap run of the mill kinds but just the best to be had from Mr. Lins, one of the leading breeders. At the Minneapolis Show in 1958 the Grand Champ was **Gardenia** and several of the color champs were from Mr. Lins' garden.

Mr. Lins' peonies are noted for their strong stems that hold the blooms erect.

Peonies are not suitable for the far South as they have to freeze in the winter.

**Send your orders at once so the roots can get established this fall.**

**BLUE ROSE** A large full double, deep rose, which carries more blue than any other peony we know of. Is sweetly rose fragrant. Stems are willowy, not as stiff as some other Lins varieties, but about like stems of Old Lace. Color, size and fragrance impels those who see it, to want it. **\$10.00 each.**

**BURMA** Large brilliant deep double red. Mid-season. Has good form, heavy substance and strong stems. Has won many blue ribbons and show championships during the past several years. Before being fully established it will produce some blooms not full double. **\$3.95.**

**CASABLANCA** Giant fully double white with good form, substance and strong stems. An adventure in peony growing. Late mid-season. **\$4.95.**

**DOLORADEL** Giant well formed fully double rich vivid pink with heavy stems. Foliage way to ground. Late mid-season. Wonderful variety. **\$4.95.**

**ENSIGN MORIARTY** Giant full double dark pink with heavy stems and fine form. Has been champ dark pink at many shows. Always scarce. **\$4.95.**

**FESTIVAL QUEEN** Double yellow with white collar and crown. Tall plant, fine low down foliage. Free bloomer. **\$4.95.**

**GARDENIA** One of the most beautiful peonies. Strong plant foliated way down, loaded with large beautifully formed blooms. Blush opened inside, white opened outdoors. Good every year. Early mid-season. **\$3.95.**

**KING MIDAS** A perfectly formed fully double medium sized brilliant red edged with gold. A model of perfection. **\$3.95.**

**MARY L (Lins)** A large high built double white. Some blooms have a touch of red on top petals. Stems are strong. Blooms late mid-season. **AMERICAN HOME ACHIEVEMENT MEDAL WINNER. \$3.95.**

**OLD LACE** Very large fully double flat bloom. Opens flesh but changes to ivory in the sun. 8 inch blooms on long willow stems. **\$3.95.**

**PAUL BUNYAN (Lins 1957)** When we get to Paul Bunyan, we get to the heart of the peony kingdom. A very large full double, well formed, deep flame rose which looks like a giant rose in form and beauty. The outer rows of petals are large. These large petals help hold its good form. Experts proclaim Paul Bunyan one of the best new peonies. Was first shown in 1955 and then was awarded the **AMERICAN HOME ACHIEVEMENT MEDAL.** First stock was released in 1957. A peony, even the most critical will be proud to have in their collection. Stock limited. Paul Bunyan was Champion Dark Pink in 1959. This is a super duper beautiful large peony. **\$20.00.**

**RAMONA LINS** Exquisite pale blush with Solange undertones. Blooms are held erect by

strong stems. Regarded as the perfect peony. An all-time great. Mid-season. Supply limited. **\$4.95.**

**TONDELEYO** A deep pink of unusual fire and brilliance. Has color, size, petalage and over all charm. Tall strong stems that hold the wonderful double brilliant blooms erect. **\$3.95.**

**TULAGI** The perfect lawn or garden peony. The large, tall plant with well foliaged, always straight stems, produces a mass of large, brilliant red flowers of the Japanese type. In spite of its size, the bloom is refined and does not feather. **\$3.95 each.**

**VALENCIA (Lins)** A high built full double bright red on good stems. The plant is medium height. Was awarded the **BRONZE MEDAL** by the peony society. At the Minn. State Show in 1959 Valencia was Champion Red. **\$3.95.**

**WAIKIKI (Lins 1959)** A sister seedling of Hawaiian Sunset but in a different color. A beautiful new Japanese type in cerise and salmon rose. The stems are strong and the plants are perfect. An unusual color in rich Cerise with a large center of petaloids in rosy salmon. **\$10.00.**

## *Pansies - Oregon Giants*

Why not grow some pansies. They are liked by everyone. They will give more garden pleasure for the money and time invested than most any other flower I can think of. Pansies start blooming in very early spring and continue till really hot weather and with some shade will bloom all summer. The colors of this **ELLIS** strain which I carry are very beautiful and up to 4 inches and over in size.

The **ELLIS** strain is the best I have found and cheaper than some others. Our beds are a mass of bloom every fall till really cold weather sets in. In the north we start them in July and August and in the greenhouse in winter. Farther south you can start them most anytime.

There is good money raising the plants for sale as they sell like hot cakes as soon as they start blooming. We can ship seed immediately at any time. **Pkt. of 500 or more seeds with growing instructions \$1.00 - 1/2 oz. \$6.00 - 1 oz. \$12.00. Supply limited this year so order early.**

---

"We raised these pansies to sell for Memorial Day. They were so beautiful we sold out two weeks before I can't say enough about them. Thanks."

—Mrs. William Leighton, Maine

"The **Oregon Giants** out-perform any pansy plants I raise in size, color and vigor. The demand for them keep people coming back to me for the plants."

—Mrs. Edwin Deckard, Va.

## LABELS

Everyone who grows bulbs under name will want labels. There are many different kinds on the market but I think the best cheap label is a painted wooden one. However, the wooden labels, really should have a coat of varnish after the name is written, otherwise the paint will in time weather off taking the name with it.

Prices are as follows, and subject to change without notice.

**WIRED TREE LABELS.** 3½ x ½ inch copper wired. 50 for 60 cents. \$1.20 per 100 and 500 for \$5.50. 1,000 for \$9.00.
